## Video Game Hub

So people make money....playing video games....professionally..... like what, \$10 (\*searches google <https://www.esportsearnings.com/games>) Ohmy....that is much more than \$10, well then...

E-Sports (Video Games) has been taking the world by storm, the levels of skill to get to the top is super high. But one thing that is common with all high level players, that any newbie can imitate, is that they don't only play for fun, they play intentionally, they train. (You just can't escape work ethic)

In this unusual club, we will be introducing players to the concept of professional video gaming. We encourage all students to come with us to actual competitions, but that is not at all necessary to participate in this class.

Some of the Games include: Pokémon Sword and Shield, Super SmashBrothers, Madden, FIFA, Pokken Tournament, and More!

## **Grappling/Jiu-Jitsu Competition Club-**

You heard it right Folks! This year will be Babcocks first year having a Competitive Grappling/Jiu-Jitsu Club! This Club will be for those who would like to travel and compete in the art of Grappling!

So, what is Grappling? To Grapple- “to engage in a close fight or struggle without weapons; wrestle”. Grappling is a great base for self defense and many other sports! We will start with the basics of dominant positions and then work into different throws, takedowns, and more! Then we will test our skills against other kiddos in the same age, weight, and skill levels all across the beautiful state of Florida!

This club will be different from any club we have tried so far. I guess the best way to explain it is with Good News and Hard News. Good News first-

Good News-The Club will be significantly cheaper than any of our other clubs (\$65 per quarter). Through fundraising and sponsorship we hope to raise the funds for all of our equipment and competition fees. (If the cost of this club would prevent your kiddos from being able to take part, please write us and we would love to talk with you about the Grappling Scholarship Program we have available for this club.)

Hard News- We have limited spots available for this club so tryouts will be held! They will be pretty tough and will take place over 1-2 days. (If those days are not available, please let us know ahead of time and we will see if we can work something out.) Fundraising and attendance will be super important to staying on the team, so be there or be “L 7”.

If you have any questions, please feel free to email at [ssmith@babcockneighborhoodschool.org](mailto:ssmith@babcockneighborhoodschool.org) :)

-If competing is not your thing we still have an MMA Club and a Self Defense Club :)  
-The traveling will not be through the school but through parents either driving or carpooling.  
-A More Detailed Flyer will be emailed and posted with more Information after school starts.

Grades: K5-3rd + 4th-6th +7th-10th

Attributes: Confidence, Humility, Work Ethic, Perseverance, Teamwork

Fee: \$65

**This club will become available to pay after tryouts are held. This Club has a fee of \$65.00 please purchase this on MySchoolBucks under Trail Care labeled Grappling Club Fee. :)**
