- Club description will state if the club is considered a basic club or a specialty club
- 4th Quarter clubs run from April 1st, 2024 until June 5th, 2024
- Club Sign ups END the Friday prior to the start of clubs. This allows us time to get materials ready and an accurate list of participants for teachers.

If you pay for ALL INCLUSIVE

Perks of ALL INCLUSIVE:

- Includes a club (some clubs may be excluded)

Parents paying all inclusive must email us prior to the club starting to secure a spot. Failure to do so will result in your child not receiving a spot in that club. We will be sticking to this. If the club is already full then you will not receive a spot. To contact us please EMAIL US AT tc@babcockneighborhoodschool.org

INTRODUCING!!!!!!!!!!!!!!!

SHARK TANK (Specialty)

Just like the TV show. In this club , we are inviting students with a passion for inventing to get into teams and collaborate to create a presentation for a product or service they think is valuable.. They will learn about cost to build, profit and all the financial must knows for owning a good or providing a service of their own. They will pitch their product or service to a panel of judges and ask for investments from the panel. Their product will be built out of recycled goods. We will supply some recycled goods but do encourage students to think about things they have available at home to bring in to use. If any parents want to volunteer to help please reach out!

Grades: 3rd and up

Attributes: Fine motor skills, Imagination, creativity, self expression

START DATE:

EXTRA INFO: No supplies needed. All supplies provided!

HOT WHEELS (Basic)

Get ready to race on over and sign up to take your spot in this exciting club. Build tracks with your team and race with your components to see who will cross the finish line first. Your kids will LOVE this club. It is a very fun and engaging club. Building jumps and tracks across tables, chairs and books and seeing if your friends will race the new track you just built.

Grades: ALL

Attributes: Teamwork, fine motor skills
