Dance (Specialty)

Maria Gudelman has been instructing our dance club for a few years now. She has been an intricate part of not only our school but our aftercare program as well. She has done an amazing job working with the kids and teaching them some new groovy moves. From ballet to interpretive dance. She teaches all the techniques and she will be sure to keep them on their toes.

Your child will learn:

- Jazz
- Ballet
- Hip Hop
- Line dancing

Grades: All Grades (split by grade level)

Attributes: Athleticism, Culture, Rhythm, Sick Dance Skills, Teamwork.

EXTRA INFO: Your child may wear but is not required to wear a leotard with shorts, leggings, tee shirt and or ballet shoes. This is not a requirement. It is fine for your child to stay in their school uniform.

TUMBLING (Specialty)

One of our aftercare favorites. Tumbling is also taught by our dance instructor Maria. This club will be performed on a matted surface in the cafe and your child will learn a multitude of different flips and tricks. This club is a perfect add on for any of our dance kiddos.

Grades: All Grade Levels

Attributes: Creativity, Teamwork, Athleticism

EXTRA INFO: Your child may wear but is not required to wear.. a leotard with shorts or leggings and tee shirt. This is not a requirement. It is fine for your child to stay in their school uniform.

LEGO (Basic)

In this Babcock After-school Club we will be creating fun and crazy masterpieces, competing in individual challenges, and teaming up to make giant works of art! Including towers, upside down buildings, Pirate ships and so much more. Your child's creativity will shine in this class as they let their minds explore the lego building world!

Grades: All Grade Levels

Attributes: Creativity, Teamwork, Individual Task Completion, and Implementing Concepts.

YOGA (Basic)

Leading your child through meditation and stretching is our very own Payten Tutterrow. With a very well balanced background in Yoga and her own daily yoga practice and routine she is sure to teach your child the ways of relaxation through mind and body.

Grades: K-5th

Attributes: Mindfulness strategies, breathwork, asana postures, flexibility and strength

EXTRA INFO: No supplies needed. All supplies provided! Your child may change into leggings and a tee shirt but it is not a requirement. They may also bring a yoga mat if they wish but we do provide them if not.

Book Club (Basic)

We are ecstatic to have this club join our 2nd quarter club list! Reading is a huge staple in a child's development. We want to share our love of reading with your kids in hopes they will catch the reading bug and love reading just as much as we do. This Quarter they will be reading *The Tale Of Despereaux* by Timothy Basil Ering. They will read in a group setting and discuss their reading amongst each other. After finishing the book we will have a themed party based on the book.

Grades: 3rd and up

Attributes: use of the imagination, fluency, reading skills, group reading

School News Paper (Specialty)

Introducing a new and exciting club that we hope will continue on for years to come. Calling all future journalists! We have the perfect place for you as a young reporter to share your opinion and learn to support those opinions with facts. Each week you will help produce a school newspaper that will be sent out to all the classrooms for your fellow students to read. This paper will report on stuff happening in the school along with the neighborhood and the world. Get ready to jot down all the exciting things you hear and turn them into articles!

Grades: 3rd and up

Attributes: Teamwork, creativity, critical thinking

STEM (Specialty)

An all time favorite class during the school day is now being transformed into an aftercare club! Miss Jackson is coming to our aftercare program to lead your kids in a full blow, hands on STEM club! Your kids will work on various projects that focus on all things STEM. STEM challenges students to think outside the box, to think critically and come up with their own solutions through technology and engineering based projects.

Grades: 3rd and up

Attributes: Creativity, Teamwork, critical thinking, innovation, problem solving

COOKING (Specialty) THIS CLUB IS EXCLUDED as an option for those who purchase a full quarter and get 1 free club

3:30-5:00

IT'S BACKKKKKKKKK. Cooking club has returned! This club is by far one of the most requested clubs there is. Your kids will get hands-on experience in the kitchen. They will learn multiple cooking skills from simply following the instructions on the back of a box to proper handling of cutting utensils. Each week they will make a new dish and then get to eat their creation. Your child will also start a recipe book that they will get to keep and take home so they can show off their skills." Anyone can cook, but only the fearless can be great. " - Chef Gusteau, RATATOUILLE

Grades: 3rd and up

Attributes: Kitchen confidence, teamwork and fine motor skills

CHESS (Specialty)

In Chess Club we will be learning the basics of chess and creative strategies for beating your opponents. After learning the fundamentals, you will have the opportunity to play against your friends, learn new competitive strategies, and participate in chess tournaments. At the end of the quarter we will conduct a chess tournament for club members!

Grades: 1st and up

Attributes: Creativity, Strategy, Critical Thinking, Sportsmanship, and Problem Solving Skills.

Play-Doh (Basic)

Play-Doh has been a huge hit during our aftercare program so we thought what better club to have for our littles than their very own Play-Doh club. Your little will have VIP Play-Doh access. With multiple Play-Doh sets to make some of the best creations.

Grades: K - 2nd

Attributes: Creativity, fine motor skills
