Dear Parent/Guardian,

Florida Statute 1012.42 (2) requires that parents be notified, in writing, if a student is taught by a teacher or substitute who is teaching out of field for a specific subject area. The following teachers are certified to teach or eligible for certification, but may be assigned one or more classes outside of their areas of certification. Others are awaiting for their certification to be issued. Please be assured that all teachers are taking appropriate steps to comply with the statutory regulations to serve every student with excellence as the standard.
